

Into The Fire

A Paint Your Own Pottery Studio

The Fire Flyer
June 2010

Summer is heating up and it's getting hot here in the studio. I can't count the number of new items: large cupcake and muffin cookie jars, sun/moon votive, tilt-a-bowls, garden turtles, and a larger 16" Gnome. Speaking of Gnomes, we're excited to roll out a Coolest Gnome Home Contest. Paint any gnome, give him/her a name and a great life story and tell us about it. For our Twilight fans or just folks who are night owls, plan on coming to our Eclipse Release Party. The fun begins at 9pm. As you begin to celebrate the end of the school year, bring in the kids report cards and they'll get a free studio fee that day. Or, to keep the kids busy this summer, enroll them in our weekly Kids Kamps. Lots of fun new pieces and great techniques. Remember, when it gets hot outside it's COOL at Into The Fire.

Cheers!

Tip Of The Month

~Clean Hands~
Always start with clean hands.

Did those C's become B's? All A's? As long as you're proud, so are we and we want to help you celebrate your student. Bring in the report card and

your student will get a free studio fee that day (one time redemption please). Stop in anytime between June 1 - June 11.

Celebrate Dad on Father's Day here at the Studio

Sunday, June 20

Hey Kids - bring in dad on his special day and his studio fee is on us.

If you want to paint a gift for dad, the last day to paint is Sunday, June 13.

New Referral Program

Do you love the studio and want to introduce your friends to your favorite pastime?

Ask for some referral cards!

Your 1st time guest will receive 25% off of one pottery item.

On your next visit you'll get 10% off one pottery piece.

One discount per visit. Can not be combined with other offers, discounts or specials.

Attention Twilight Fans (or just late night painters)

Natural skin oils and lotions will leave invisible 'finger prints' and the paint may not stick. This is always a good practice even before you pick your piece since you may touch a piece that someone else will paint at a later date.

Coollest Gnome Home Contest

Whose gnome has the coolest home?

Enter the contest by painting a gnome and then sending us a picture of your gnome in his/her new home. Make sure to give your gnome a name and tell us about their life in a paragraph.

Maybe your gnome lives in the garden and tends to it while you sleep. Does it have a green thumb and help with the tulips? Maybe your gnome is mischievous and sneaks away at night to play in the park. The more creative the better.

Pictures and their stories will be displayed in the studio and voted on by our customers in August.

Previously gnomes painted in our studio are also eligible.

Multiple ways to enter:

- 1) Drop off your picture and description
- 2) Email us at
